

CONNECTPlayer LX5

Ultra compact | 3-screen video wall | 8K UHD

Video Walls Made Simple

Cost-Efficient Implementation: Create a seamless 3-display video wall using a single unit without external controllers.

Easy Installation & Management: Lower setup time and costs through simplified deployment.

Superior performance with 8K UHD

Stunning Image Quality: Supports up to 8K UHD for crisp, vivid content on massive video walls.

Seamless Playback: Ensures smooth, high-definition video playback via advanced hardware acceleration.

Display Various Content on Screen

Cost-Efficient Implementation: Create a seamless 4-display video wall using a single unit without external controllers.

Easy Installation & Management: Lower setup time and costs through simplified deployment.

Compact Design with Mounting Bracket

Space Optimization: Compact aluminum alloy case hides neatly behind a TV to save installation space.

Durability & Thermal Control: Features durable materials for stable heat dissipation and includes a bracket for hassle-free installation.

AI-Powered Digital Signage Solution

AI-Powered Analytics: Uses a high-performance AI processor for real-time audience analysis and personalized content delivery.

Enhanced Security: On-device AI processing ensures strong data privacy and security.

Free 1-Year CONNECTPlayer Manager S ubscription

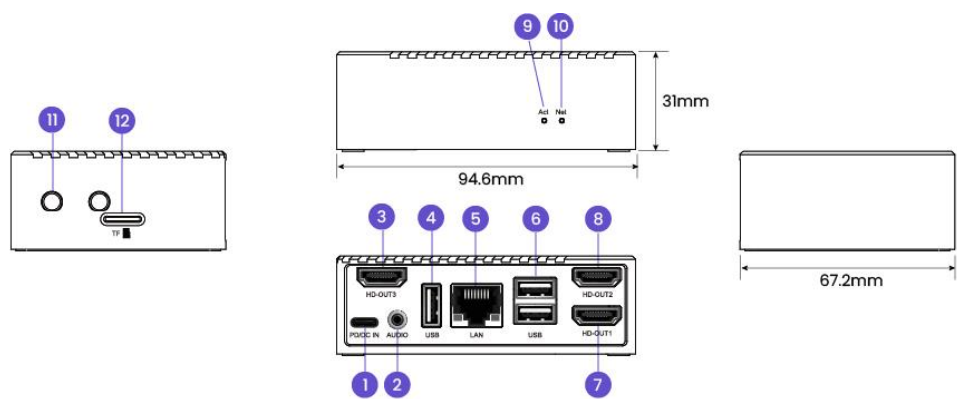

Complimentary Subscription: Includes a free 1-year CONNECTPlayer Manager subscription for web-based content creation, scheduling, and remote multi-display management.

2-Year Warranty & Free Updates

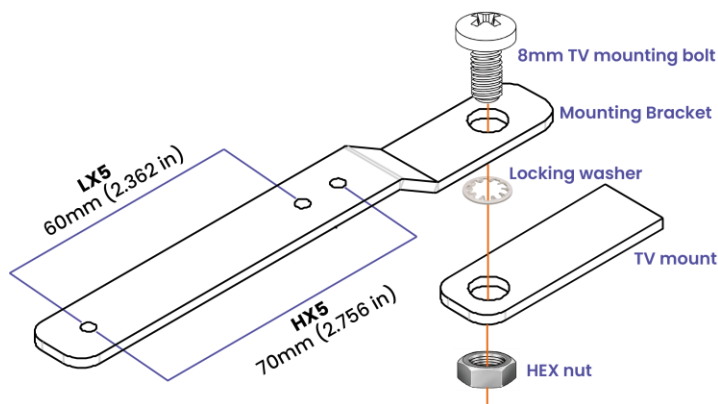

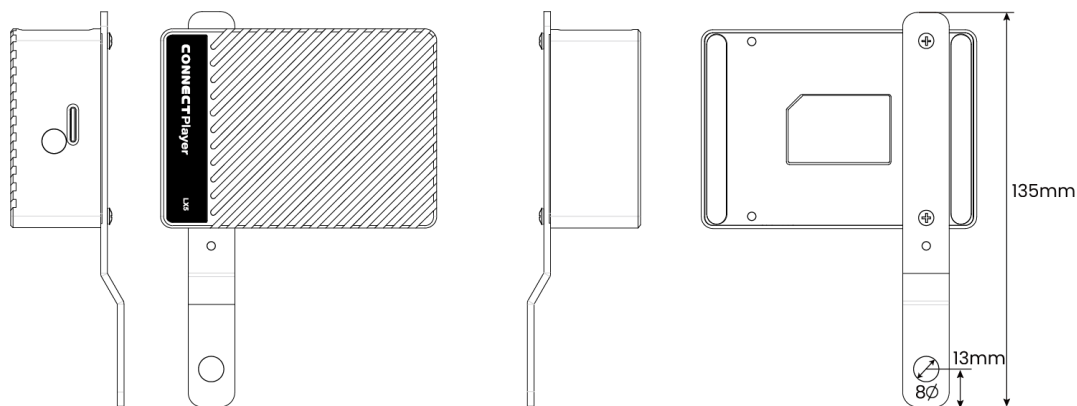

Repairs, replacement parts, and service are covered for two years. Free software updates help keep your device secure, up to date, and performing at its best.

I/O Ports and Dimensions

- 1 USB-C (Power) PD/DC-6V~20V
- 2 Audio-out
- 3 HD-OUT3
- 4 USB 2.0
- 5 Ethernet LAN
- 6 USB 2.0 x 1, USB 3.0 x 1
- 7 HD-OUT1
- 8 HD-OUT2
- 9 Activity LED
- 10 Network LED
- 11 WiFi Antenna (Optional)
- 12 MicroSD (Service Only)
